

ARQUITECTURE AND WINE

However Valencia has also hosted renowned architects like Norman Foster, David Chipperfield and Santiago Calatrava. This tour will allow you to discover the details of these buildings with the indications of an experienced guide who knows how to show architectural details that might be otherwise invisible to the untrained human eye. After the tour you will taste a delicious pairing of Valencian wines & bites.

BIKE AND TAPAS

Valencia is known as the Flower City because of its vast number of parks and landscaped areas. Your guide will point out the most important monuments on the way to the Bike Center. Following a briefing on safety and the route you will be taking. Depart on your bike and follow your guide as you slowly make your way to the old quarter, where you will have a selection of small bites and drinks.

PAELLA LESSON / CLASS

The paella is a rice dish from Valencia, one of the most appreciated in Spanish cuisine. In this activity you will have fun and a learning experience in the kitchen as well! The workshop starts in the market, buying the ingredients in various market stalls and evaluating products and their quality for a perfect recipe. Once the preparation is done the workshop begins where all the participants will put their aprons on, roll up their sleeves and participate. Afterwards comes the best part: enjoying the delicious dish lovingly made as a team effort and all washed down with a good wine!

GOURMET TAPAS TOUR

Spain is well-known for its gastronomy and Valencia is a gem in all its gastronomic glory, offering delicious cured ham from Extremadura, strong and appetizing Manchego cheese, tempting olive oil from the region, fresh seafood of the Mediterranean, all combined into exquisite bites.
